Yes, I would like membership of Gramex on the terms below

Membership of Gramex is free and is subject to the statutes and policies of Gramex at any given time which can be found at www.gramex.dk.

Gramex manages my communication to the public and broadcasting rights for published sound recordings in Denmark according to compulsory license in section 68 of the Danish Copyright Act. The management includes both existing and future rights.

I authorize Gramex to enforce any infringement of the above rights and to take any legal or factual steps necessary to protect them.

I will contact Gramex if I subsequently wish to change the countries in which Gramex manages my rights.

I acknowledge that I cannot be represented by equivalent organizations regarding the same countries that Gramex is to administer.

As a member of Gramex, I can exercise my membership rights, including participating in and voting at Gramex' general assembly, and thereby, among other things, influence Gramex' distribution policy, etc.

Click here (if applicable):

- Yes please, I want to receive Gramex' newsletter (in Danish) by e-mail with news from Gramex and the industry.
- *If I do not want to receive the newsletter, I will only receive essential member information from Gramex, such as notices for general assembly (if I'm a member).*
- No thanks, I do not wish to be member of Gramex. That means,
- *that Gramex will not administer my communication to the public and broadcasting rights for published sound recordings abroad.*
 - *that I cannot participate in and vote at Gramex' general assembly.*
 - *that Gramex will continue to administer my communication to the public and broadcasting rights for published sound recordings in Denmark in accordance with the compulsory license in Section 68 of the Danish Copyright Act and the current distribution rules of Gramex, as adopted by Gramex' general assembly. Remuneration is paid to the above-mentioned bank account, unless, for example, I'm a member of a foreign sister organization covering the Danish territory. In that case, Gramex will pay remuneration to this sister organization. When Gramex represents me in Denmark, even if I choose not to be a member, it is due to the compulsory license in Section 68 of the Danish Copyright Act, which Gramex administers. Gramex is approved by the Ministry of Culture to collect payment for the use of published sound recordings in Denmark and pay remuneration either directly or through a representative to members and non-members of Gramex.*

I declare by my signature,

- that the above information is correct and complete, and that I will promptly inform Gramex of any changes, including a new address, bank account or e-mail
- that remuneration is paid to the above-mentioned bank account
- that I will undertake to provide, both voluntarily and upon request and without undue delay, any documentation necessary for the registration, monitoring, and settlement of our rights
